She reminded the group that the inner family asks are not about the amount, but the gesture. 100% participation is the goal.

**Administrator Reports:**

New Business:

- Director Campbell explained that the GWI for non-affiliated employees was going to be discussed at the upcoming City Council meeting. Jenni Swanson said that it could be anywhere between a 0-2% increase. Due to the fact that the number is not known, Director Campbell put it on the agenda as letting the Council choose for CY 2021. Debbie Freiburg made the motion to approve the 2021 General Wage Increase (GWI) for non-affiliated employees at the same rate determined by the City Council. Pat Mahar seconded. President Watts III took a recorded vote: 7 Ayes, Noon, Sparkman, Freiburg, Nelson, Mahar, Russell, and Swanson; and 1 Nay, Phillips. Motion passes.

- Pat Mahar made a motion to omit all staff merit increases for CY 2021. Holly Sparkman seconded. Director Campbell expressed her concerns about how demoralizing it is to withhold a pay raise during the most stressful and busiest year. However, she also stated that she understood the predicament the City was facing with the budget. President Watts III took a recorded vote: 8 Ayes, Noon, Sparkman, Freiburg, Phillips, Nelson, Mahar, Russell, and Swanson; and 0 Nays. Motion passes.

- It was proposed that the slate of Board Officers remain the same for 2021:
  Eudell Watts III – President
  Elizabeth Russell – Vice President
  Jacki Nelson – Secretary/Treasurer
  The slate will be voted on at the January 19, 2021 meeting.

- Pat Mahar made a motion to approve the CY 2021 non-resident card fee of $125. Debbie Freiburg seconded. Director Campbell stated that this is a program the library voluntarily belongs to, which allows non-residents to pay for library service at a similar rate of taxpayers. The rate has remained unchanged for years. Only a handful of patrons are non-residents. President Watts III took a recorded vote: 8 Ayes, Noon, Sparkman, Freiburg, Phillips, Nelson, Mahar, Russell, and Swanson; and 0 Nays. Motion passes.
