

Homebound Delivery Details:

If you are a resident of our library service area, and cannot visit the library due to short-or-long-term disability, you may register for Rock Island Public Library Homebound Resources.

This service will allow you to have held items delivered, or sign up for book picks from our librarians that match your preferences.

- If you already have a Rock Island Public Library card, staff will register you for the program, and arrange a delivery and pick-up schedule.
- If you do not have a current card, we can issue you a new card. Please request an application by mail, return

it, and staff will send a card by mail.

To help us choose books that match your preferences, please complete the form in this brochure. You can also request titles or authors, and staff will place a hold for these items for you.

Deliveries and pick-ups will be made by a Rock Island Public Library delivery driver, in a marked Rock Island Public Library vehicle. Returned items may also be sent back with the driver.

Delivery will be available once per week or once per month, with the time set by appointment.

To get started, return the preference form on the opposite side of this brochure!
